What Families Say About Meadow

Real words from families we've helped through difficult times.

Jaclyn T. ★★★★★

I was pleasantly surprised by how little I had to worry about during what otherwise would've been a pretty stressful time - Meadow took care of absolutely everything for me. Also, their customer service was so professional, warm and caring. Highly recommended.

Cheryl S. ★★★★★

Meadow Memorials was both caring and professional during our time of grief. They gently walked us through options and helped us with the timeline for what to expect when. They helped us create a beautiful obituary and published it for us on their site.

Dar P. ★★★★★

One thing that really set them apart was their one-time fee. It was clear and upfront, with no surprise charges or hidden costs. This was a huge relief, especially compared to other funeral homes in the area that seem to have wanted tack on extra fees at every turn. I'm deeply grateful for the support and honesty Meadow Memorials provided.

Jessica O. ★★★★★

I made several calls (at least 6) to try and navigate what to do and where to begin. When I called Meadow, it was at 2 a.m. The call was answered by a real person and she was lovely. She was sensitive and informative. I received text message updates throughout the process. These messages were again from a person and not an automated system. Their price was competitive and their service was exceptional.

Kim B. ★★★★★

There are not enough good words to say about Meadow Memorials. With my days filled with grief and my mind in a fog, Meadow took care of ALL the heavy lifting. The people who helped me are beyond professional. Their sincere compassion gave me comfort.

Kevin D. ★★★★★

This was my first time going through something like this and I'm so thankful I went with Meadow. They were responsive and proactive every step of the way.
