## #1 RATED BY FAMILIES IN SOUTHERN CALIFORNIA

One thing that really set them apart was their one-time fee. It was clear and upfront, with no surprise charges or hidden costs. This was a huge relief, especially compared to other funeral homes in the area that seem to have wanted to tack on extra fees at every turn.

“

Meadow Memorials was so great to work with during this most difficult time. The day mom passed, they picked her up from the care center and scheduled the cremation quickly thereafter. They contacted Social Security for us, and coordinated the creation of death certificates with the County...**I highly recommend their services.**

-Michael S. ★★★★★

“

My siblings and I called a lot of places to help with my dad. There were some outrageous prices for cremation. **Meadow Memorials was affordable and the customer service was A+.**
